Topic: Remodeling high-stakes tests (HSTs) in #OklaEd

January 11, 2015

Probably no issue in education has generated more arguments than high-stakes tests (HST). In this chat session, let's see if we can conjure improvements to the existing HST model to improve #oklaed.

Introduce yourself to the rest of the #OklaEd gang.

Question 1: How have HSTs impacted your school or community? #oklaed

Question 2: What is the greatest problem with the current #oklaed HST model?

Question 3: How should we change total hours, grades, subjects associated with HSTs? #oklaed

Question 4: How can #oklaed lower the pressure on Ss taking HSTs?

I think we will have time for two more questions, but I would love to hear suggestions. Tweet me at @jwalkup.

Question 5: What r the benefits & detriments to linking HSTS to teacher evals? #oklaed

Question 6: Feds want teacher evals tied to HST; how can we comply and keep #oklaed happy?

Question 7: If all HST disappeared, who would win/lose and why?? #oklaed

Our State Supt, #joy4ok, often joins in our #oklaed chats.

Question 8: What message would u like to send @joy4ok about HSTs? #oklaed
